To whom it may concern

Venture Lighting's Ventronic Ballasts With SEAK Dimming Module

This is to confirm that Venture Lighting Europe Limited has assessed and fully approved SEAK's Part Night Dimming module as being a suitable addition for integrating into Ventures low wattage square wave ballasts, thus offering dimming functionality to Venture Lighting's Ventronic ballasts.

Venture Lighting also confirms a collaboration between our two companies to further develop this association.

Všetkým, ktorých sa to týka

Predradníky Ventronic od Venture Lighting s modulom regulácie SEAK

Týmto potvrdzujeme, že spoločnosť Venture Lighting Europe Ltd posúdila a plne schválila modul regulácie osvetlenia SEAK ako vhodný doplnok pre integráciu s nízkofrekvenčnými predradníkmi štvorcového priebehu Ventronic, čím umožňuje funkciu stmievania.

Venture Lighting tiež potvrdzuje prebiehajúce spolupráce medzi oboma našimi spoločnosťami k ďalšiemu vývoju tohto spojenectva.
